KOSHER EXPERIENCE, LIQUOR LICENSE, CT MBE

QUALITY FOOD AND OUTSTANDING SERVICE SINCE 2000

Since 2000, we've been committed to providing great food and outstanding service at competitive prices. Most of my menu items feature original recipes so you'll taste a unique, authentic flavor in every dish. We pride ourselves on creating a wide variety of cuisine -- from soul food to gourmet selections. Vegetarian and vegan options are also available and we have experience preparing kosher meals at the homes or synagogues of our customers.

As chef and owner, I work with clients to customize event menus and service options. Our goal is to always exceed your expectations. Whether we cook food and deliver for you to serve, staff the event or provide the luxury of a full sit down dinner, your function will be catered with the highest level of service and professionalism.

We have experience catering events of every size -- from small dinner parties for four to large banquet functions and outings for 1000 guests and have a skilled, friendly serving staff whose main focus is meeting clients' and guests' needs.

Beyond catered functions, we also provide personal chef services through Dine by Design, a wholly-owned subsidiary. As a USPCA Personal Chef, we help you answer the question, "What's for dinner?" All menus are designed considering the customers' preferences and requests. We shop, cook, package and freeze two-weeks worth of dinners with easy de-thaw and reheat instructions. Save time, money and eat healthy hassle-free.

The next time you are planning a corporate function, a special event, wedding, an intimate dinner party or thinking about the ease of coming home to a healthy, prepared meal consider Sweet and Savory Creations LLC. We do the work so you can enjoy your guests.
